# Choosing Us

As a client of Detroit Chemical Paper & Supply Company, you get to take advantage of our buying power and resources. We have expanded our warehouse capability to nearly 50,000 square feet of the finest cleaning and supply products available today.

All orders are checked by trained personnel before leaving the warehouse. Our fleet of maintained vehicles and uniformed, friendly drivers will ensure your order is delivered safely, proficiently, and professionally.

You will find that our professional drivers and strategic coverage zones ensure timely shipments. Modern technology keeps us in contact with our entire staff at all times. We also offer other delivery options such as UPS, Next-day Air, and customer pickup.

To view our online catalog please visit us at [www.detroitchemical.com](http://www.detroitchemical.com). We have many effective programs with competitive pricing to offer.

\*Qualifying orders must be a minimum of \$150

# Who We Are

Since 1978, Detroit Chemical & Paper Supply Company has become (what we strongly believe) a leading JAN SAN Distributor in Michigan.

## *"Why Choose DCP"*

DCP has strong partnerships with the Top Manufacturer's within our Industry. We are a Stockholder of one of the Top Buying Groups in America. DCP is an active-member of many end-user trade organizations within the State of Michigan. Current Sales Volume places DCP in the top 10% of ISSA-Registered JAN SAN Distributors in America.

## *"What Separates DCP From Our Competition"*

We operate as a service company that happens to sell the best JAN SAN programs in the industry. Whether our competition is a small-distributor, a big-box super-store, internet giant, or a larger national conglomerate, we seriously thrive to be the best within the JAN SAN Industry. We are JAN SAN experts and we continue to improve our company. We don't sell pencils, lightbulbs, clothes, etc. We customize our company's resources to provide the best value to you. We provide what you want and when you want it!

## *It's All About*

- ✓ Products
- ✓ Price
- ✓ People

## *"Don't Expect What You Don't Inspect"*

Has proven to be a strong bridge between our company and our valued customers. We have perfected "old-school values" and have implemented "modern-technology" to become a model distributor to succeed in today's business environment.
